Testimonials

Dear All Pro,

This correspondence is written following our personal meeting... I was highly impressed by your professionalism and the manner in which you conduct your business. I have always received positive feedback from all the patients that I have sent in your direction. I am confident knowing that I can add you to my network of community based businessmen and look forward to the future.

I thank you for your courtesy and would like you to know that such gestures do not go unnoticed...

I am professionally yours: C.R.S. , P.T., Director

Dear All Pro,

My daughter will be undergoing knee surgery this Friday to repair a torn ACL. Her doctor has requested her to use a CPM machine as part of the recovery and rehabilitation process. Your orthotist has been working to arrange for the machine to be delivered to the Hospital. I wanted to let you know how impressed I have been with his diligence and professionalism throughout the process. He worked with my insurance company to be sure that we would be covered for the rental of the CPM machine. He was always patient with my many questions and worked hard on my behalf to obtain the proper authorization from the insurance company. It has been a pleasure dealing with him. I wanted you to know how well he represents All Pro Medical Supplies, inc.

Sincerely, Janet — East Setauket

Dear All Pro:

Thanks again for taking the trouble and time it's taken to get my walker for me. I can hardly wait to go for a walk with it, if only the sun would shine. I'm sure there will be a lot of better days ahead. Hoping everyone has a happy holiday and I'm looking forward to visiting you again

Sincerely, Shely

Dear All Pro Medical,

Dear All Pro,
